

MINUTES
Special Meeting
May 5, 2016
9:00 a.m.

Present:

Reeve: Rodney Wood
Councillors: Pat Garside
Robert Jerrard
Dave Leask

Absent:

Dianne Holt

Road Superintendent: Lyn Garside
Clerk Treasurer: Valerie Obarymskyj

All members of Council met at 4377 W Line to walk around the newly purchased municipal property which will serve two purposes for the Township of Hilton. Approximately two acres of the 97 acre lot will serve as the location of a second firehall to provide better response times to those residents currently beyond the recommended response distance from the Base Line firehall. The remaining 95 acres will eventually be developed into walking trails for the public.

Boundaries of the lot were viewed to determine the best location for the 40' x 60' firehall taking into consideration the location of the existing well and future septic and parking lot areas. The Road Superintendent will begin working on the lot immediately to move material and create a pad for the building. Given the large area of ground to be disturbed, the foundation will not be poured until the spring of 2017 with construction of the building to follow.

The site visit ended at 10:30 a.m.

Reeve, Rodney Wood

Valerie Obarymskyj, Clerk Treasurer
