

# Recycling at the M and N Landfill

Residents are encouraged to make full use of the recycling opportunities at the landfill during regularly scheduled hours. A rebate will be received based on the volume of material deposited which will help to reduce the overall cost of providing this service.

## Glass Bottles and Jars:

- ✓ Please rinse out bottles and jars to remove any food or residue
- ✓ Please remove lids
- ✓ No need to remove labels
- ✓ Please do not deposit other glass items such as window pane glass/light bulbs/ceramics/china as these will make contaminate the entire load

## Commingled Plastic and Metal Food/Beverage Containers:

- ✓ Please deposit tin or aluminum food and beverage cans; aluminum trays
- ✓ Please deposit all the following plastics in this bin: # 1, # 2, # 3, # 4, # 5, # 6
- ✓ Please rinse out cans and containers and trays
- ✓ Please push the lids of metal cans inside and squeeze the top in slightly to keep sharp-edged lids in the can
- ✓ Please remove cps and lids from all plastic bottles
- ✓ No need to remove labels
- ✓ Please do not deposit motor oil bottles, pesticide and herbicide containers

## Cardboard and Boxboard:

- ✓ Please flatten all boxes to fit in the deposit slots
- ✓ Covers from hardcover books

## Newsprint:

- ✓ Please deposit newspapers, flyers, magazines, catalogues, telephone books, paperback books, hardcover books (first remove cover and discard in Cardboard bin)
- ✓ Please keep shredded paper in a bag rather than depositing loose

## Electronics:

- ✓ Display devices: monitors, televisions
- ✓ Desktop computers and portable computers
- ✓ Computer peripherals: mice and keyboards
- ✓ Printing, copying and multifunctional devices
- ✓ Telephones and telephone answering machines; Cellular devices and pagers
- ✓ Home theatre in a box: equalizers, amplifiers, speakers, tuners and turntables
- ✓ Aftermarket vehicle audio and video devices
- ✓ Image, audio and video devices: home/portable/non-portable

Please note it is a condition of the bin being placed at the landfill and our ability to use it that NO ITEMS or PARTS OF ITEMS can be REMOVED from the bin. Your co-operation is appreciated.
