Correspondence was received from Richard Laude concerning a deposit of hot ashes at the dump. Residents are asked to be sure that ashes are out completely before depositing them at the dump site and to ensure that they place them in the designated area. Council also discussed the possibility that residents be allowed to deposit, without any cost, brush caused by the recent wind storm on September 4th. Since the dump is owned by the Village of Hilton Beach, the Acting Clerk will make this request to the Village. Of further consideration was also a request to provide a specific trench at the dump where carcasses from hunting could be deposited. The Acting Clerk will make this request to the Village as well.
