

Fire Ban in Effect

Effective Wednesday, June 3, 2026,
the Hilton Union Fire Department has suspended all fire permits and
prohibited all open-air burning.

The fire ban has been implemented across Hilton Township and the
Village of Hilton Beach due to continued dry and hot weather
conditions, which have significantly increased the risk of fire.

The public will be notified when the fire ban has been lifted and
open-air burning may resume.

Thank you for your co-operation and assistance in helping to keep
our communities safe.
